

Madison Mahre

Art, Institutions & Emerging Systems | AI, Cultural Architectur

PROFILE

Art and institutional systems practitioner working at the intersection of contemporary art, emerging technologies, and cultural infrastructure. My work focuses on designing frameworks that situate artistic production within broader economic and technological transformation — particularly in the context of artificial intelligence. With experience across consulting, venture capital, and software-focused private equity, I bring structural and strategic literacy to cultural work, bridging artistic practice with institutional and capital systems.

PROFESSIONAL EXPERIENCE

Eterna Contemporary

Founder & Director | 2024–Present

- Founded a cross-cultural contemporary art platform working with emerging artists across the United States, Europe, and East Asia.
- Developed institutional positioning at the intersection of contemporary art and emerging technological systems.
- Designed long-form editorial and curatorial frameworks situating artistic practice within broader economic and infrastructural change.
- Built cross-border collaborations, contracts, and operational structures to support durable creative ecosystems.
- Produced institutional-grade materials, catalogues, and research contextualizing art within evolving systems of authorship and value.

Resurgens Technology Partners | Atlanta, GA

Private Equity Associate | 2022–2023

- Evaluated software-focused acquisitions across enterprise SaaS and vertical technology sectors.
- Conducted structured due diligence examining product infrastructure, governance models, and long-term scalability.
- Produced investment memoranda translating technical and operational complexity into institutional decision frameworks.
- Analyzed how product architecture influence long-term platform durability.

Race Capital | San Francisco, CA

Venture Capital Fellow | 2021

- Conducted research on technology sectors including NFT art, AI, and blockchain.
- Assessed founder-market alignment and ecosystem positioning within early-stage technology landscapes.

Bain & Company | Shanghai, China

Management Consulting Intern | 2019

EDUCATION

Yale University | 2017–2022

B.A. History of Art, B.A. East Asian Studies, concentration in Contemporary Art

National Taiwan University (Exchange) | 2019–2020

Leadership: Founder & President of Yale Blockchain Club, Head of Yale Entrepreneurial Society Startup Village, Tsai City Center of Innovation Student Advisory Board
